

I Will

Say you
Want somethin'
Any
Little thing your heart desires
Don't worry 'bout nothin'
I'll be the one your every wish inspires

I will
Cause I'm willing and I can
I will
Cause I'm your woman
You're my man
I will
Cause I'm willing and I can
Yes, sir,
You, sir,
Are my only man

Say you
Been hurtin'
Any
Feelin' that ain't feeling right
Don't worry 'bout nothin'
I'll be the one who'll fix it all tonight

(Repeat Chorus)

Say you
Need lovin'
Any
Little thing your heart desires
Don't worry 'bout nothin'
I'll be the one your every wish requires

(Repeat Chorus)

(Repeat Chorus)

Say you
Been slippin'
Any
Dealin's lend a losing hand
Don't worry 'bout nothin'
I'll be the one who'll guarantee you win

(Repeat Chorus)

(Repeat Chorus)
