

Slop It Over The Rim

Slop it over the rim
Don't say nothin' 'bout the shape that I'm in
Everybody needs a little help now and then
So, pour it out
Put it in
If you need a little somethin'
Ya-oo
Slop it over the rim

Slop it over the sides
Let it rip and let the other one slide
Gonna party with my baby till we
Get it right
So, pour it out
Put it in
We need a little somethin'
Ya-oo
Slop it over the rim

Get what I need no matter what they pay
You can bet your life on that
Say what I mean and I mean what I say
So go, lead, follow or get out of my way

Slide it on down the line
She ain't pretty but tonight she'll be mine
Give her my best, tell her
Love is blind
So, pour it out
Put it in
Gonna need a little somethin'
Ya-oo
Slop it over the rim

Slop it over the rim
Runnin' on empty, so hit me again
Peddle to the metal of the
Thunderin' wind
So, pour it out
Put it in
When you need a little somethin'
Ya-oo
Slop it over the rim
