

## This Time

I think I'm go-ing to make it  
Whoever heard  
Of a winner who didn't  
I have been down  
For the last time  
And this time  
I'm gonna win

Once in a while  
Someone gets spun in  
Whoever heard  
Of a winner who didn't  
I've been spun round  
For the last time  
And this time  
I'm  
Gonna win

Still in the game  
This old crazy game  
Sometimes  
Someone or some thing's gonna push  
Push
