

## Unconditional Guarantees

A nudge under the table  
A nod that tells you  
    Somebody else  
    Thinks that you're able  
The meaning in a hug  
A squeeze that tells you  
    Somebody 's there  
    When you've got the bug

Unconditional guarantees  
You'll find beneath the fountain  
Unconditional acts of kindness  
That's all  
That's all  
That's ever, really being counted
