

There Is...

There's a right way,  
A wrong way,  
A short  
And a long;  
A high road,  
A low road,  
Both mentioned  
In song.  
There is East  
And the West,  
The worst  
And the best.  
Of the rest.  
There is one I know.  
He's a friend.  
Always been.  
Out or in,  
Look again:  
There is Joe.
